Re: Contractor: Advance Electrical Installations, Inc. - Titusville, Florida

To Whom It May Concern:

It has been our pleasure to provide surety credit for Advanced Electrical Installations, Inc. for many years. We have never been called upon to write a bond that we would not gladly provide, nor do we anticipate the contractor to undertake any project we would hesitate to bond because of its size or nature.

Currently, we have a bond program established for Advanced Electrical Installations, Inc. with Westfield Insurance Company for individual projects of \$7,500,000 and aggregate programs of \$20,000,000. Westfield Insurance Company is A.M. Best rated "A, XIII" and is licensed to conduct business throughout the United States.

We regard Advanced Electrical Installations, Inc. as one of the outstanding specialty contractors in the area, and feel the principals of Advanced Electrical Installations, Inc. possess broad experience, financial responsibility and high integrity. Without reservation, we highly recommend Advanced Electrical Installations, Inc. to you.

Should you need any additional information, please do not hesitate to contact me at 904-398-1234.

Sincerely,
Greene Hazel & Associates, Inc.
